THROUGHOUT THE TOWN OF ANSON

May 18th through May 20th several communities in the town of Anson are planning community thrift sales. It is better to have one large community sale than several individual sales. Collect your belongings, set up some tables, & collaborate with friends, family and neighbors to have a great sale. If you are interested in having a sale and would like to donate for advertisement in local papers, please contact Paul Froelich at froelichpa@gmail.com. Feel free to print a flyer and pass around. Happy Sales Everyone!
