Public Participation Procedures for the Town of Anson Comprehensive Plan Update

INTRODUCTION

§66.1001 (4) (a), Wisconsin Statutes, requires that the governing body of the local governmental unit adopt written procedures designed to foster public participation, including open discussion, communication programs, information services and public meetings for which advance notice has been provided, at every stage of comprehensive plan preparation, and that such written procedures provide for wide distribution of proposed, alternative or amended comprehensive elements, an opportunity for the public to submit written comments on the comprehensive plan, and a process for the local governing body to respond to such comments.

The Town of Anson Town Board recognizes the need for an open and active public participation process to foster a strong community commitment to the development and implementation of a comprehensive plan to guide the community's future growth and development. To ensure that the public has an opportunity to be involved in every stage of the update of the Comprehensive Plan, the Town identifies the following actions to promote an active public involvement process that provides complete information, timely public notice, full public access to key decisions, and supports early and continuing involvement of the public in developing the plan.
